APPLICANT

I hereby make application to the Kansas Department of Health and Environment for environmental laboratory accreditation.

I certify that all accredited environmental analysis are done in accordance with K.S.A. 65-1,109a.

I understand and acknowledge the laboratory is required to be continually in compliance with K.S.A. 65-1, 109a, and is subject to the enforcements and penalties provisions of that statute.

I understand the laboratory can be subject to unannounced on-site assessments. A Kansas Department of Health and Environment authorized accreditation officer may make announced or unannounced assessments, to investigate, or examine an accredited laboratory whenever it is considered necessary in accordance with K.A.R. 28-15-35 to determine the laboratory's compliance with K.S.A. 65-1,109a.

I hereby certify I am authorized to sign this application on behalf of the applicant/owner and there are no misrepresentations in my answers to the questions on this application.

I certify the information provided with this application is complete, true and correct, and I understand that providing false information is basis for denial, suspension or revocation of laboratory accreditation.
